

The diagram consists of a large rectangular frame. On the left side, there is a vertical column of 15 small circles. A horizontal line extends from the bottom of this column to the left edge of the frame. On the right side, there is a vertical column of 15 small circles. A horizontal line extends from the bottom of this column to the right edge of the frame. In the center of the frame, there are two small circles stacked vertically. A horizontal line passes through the middle of these two circles, extending from the left edge of the frame to the right edge of the frame.
